

A Special Thank You to the NNF Donors of 2007!

As we celebrate the season of giving thanks, your Foundation wants to give a special "thank you" to each of you who gave in 2007 to make this year's success possible. Without your generosity, the Foundation would not have been able to touch the lives and careers of so many of you and your colleagues.

As you plan your end-of-year donations, please do remember the NNF. You, as NNF donors, are the people who can and do make possible research grants, scholarships, travel grants, and recertification support for those who have dedicated their careers to neuroscience nursing and evidence-based care of patients who can wake up every morning knowing their best interests are being looked after.

Join your colleagues.

Bring Quality to Life: Invest in Neuroscience Nursing

The vital programs that serve neuroscience nursing through the Neuroscience Nursing Foundation (NNF) require support from you. Individual, tax-deductible gifts from the neuroscience nursing community are essential to the future of NNF programs. Your gift of \$50, \$100, \$200, or more will help individual neuroscience nurses and the field as a whole grow stronger, with the ongoing commitment that individual contributions go in full to support NNF programs. Thank you in advance for your support of the NNF and our specialty.
