Announcing: AANN Product Feature

Were you aware of the valuable educational products available at www.AANN.org? And did you know that AANN members receive these products at a special discounted rate? AANN is a dynamic resource for neuroscience education, and to ensure that you're kept "in the know," AANN will highlight a product in each upcoming edition of *Synapse E-News*. The May featured product is...

AACN-AANN Protocols for Practice: Monitoring Technologies in Critically Ill Neuroscience Patients

This newly released protocol manual guides clinicians in the appropriate selection of patients, use and application of management principles, initial and ongoing monitoring, discontinuation of therapies or interventions, and selected aspects of quality control.

And in honor of Neuroscience Nurses Week 2008, throughout the entire month of May, take \$5 off your purchase of:

AANN Core Curriculum for Neuroscience Nursing, 4th Edition

The *AANN Core Curriculum for Neuroscience Nursing, 4th Edition*, is a comprehensive clinical resource for the practicing neuroscience nurse. The book is divided into three parts: foundations of neuroscience nursing, specific neuroscience topics, and neurologic issues across the continuum.

Take advantage of the valuable educational products available to you through your relationship with AANN! Order from the AANN Online Store at www.association-office.com/aann/etools/products/index.cfm today or call member services at 888/557-2266.
