

Foundation Corner

AANN Chapters Outdo Themselves in Nashville, Gear Up for Las Vegas Donor Support in Las Vegas Meets Grant Challenge

In total, the silent auction, NeuroBoogie, and personal donations put NNF over the top to receive a \$5,000 matching grant from UCB Pharma to support foundation services to neuroscience nurses in 2009.

Chapter and individual support for the NNF Silent Auction brought in \$2,500; while NeuroBoogie, the Hip-Hop version, danced in with another \$2,100; and personal donations totaling \$600 helped the foundation meet this year's UCB Pharma challenge grant.
