

## Seeking a Neuroscience Nurse?

The American Association of Neuroscience Nurses (AANN) represents 5,000 nursing professionals that are dedicated to making the difference in the care and quality of life of patients with neurological trauma and illness.

AANN's membership represents nurses and health care professionals working in diverse areas of neuroscience patient care such as multispecialty and neuroscience intensive care, general neuroscience, combination (nero/ortho, neuromuscular/rehabilitation, neuropsychiatry, neurogerontology,) rehabilitation, medical-surgical, and pediatric units, emergency and trauma departments; and surgery.

AANN's Career Center, an online resource designed to help you recruit qualified neuroscience nurse professionals. The AANN Career Center will help streamline your hiring process with the following benefits:

- **Unmatched exposure for job listings**—AANN represents the largest audience of qualified neuroscience nurse professionals.
- **AANN represents the largest audience of qualified Neuroscience Nurses**
- **Qualified Candidates**-77% of AANN members have more than 5 years practicing neuroscience nursing
- **89%** of AANN members work in a hospital or private practice and have direct patient contact
- **Access to the National Healthcare Career Network** —Have your jobs seen by over 7,000 qualified candidates.
