

The American Association of Neuroscience Nurses

invites you to
Belong. Advance. Serve.

Belong to a family of nurses passionate about neuroscience.

Benefit from the knowledge of experienced neuroscience nurses by becoming a member of the American Association of Neuroscience Nurses (AANN). Become a better neuroscience nurse by connecting with others who share your passion for neuroscience.

“Joining AANN will take your skills to a whole new level with up-to-date information on research, technological advances, educational seminars, webinars, and links to better practice.”

Serve your patients with the highest level of care.

Whether your patients are 8 or 80 years old and whether they are affected by neurotrauma, stroke, movement disorders, epilepsy, neuro-oncology, or other neuroscience issues, AANN has the resources to help you provide the best quality of care.

Join us today!

www.AANN.org/membership

“AANN is really another part of my family. The wealth of information available through this network of neuroscience colleagues is invaluable.”

Advance your nursing skill set.

Your membership provides access and savings on unique neuroscience-focused resources not offered by any other organization.

- **Publications:** *Journal of Neuroscience Nursing*, *Synapse E-News*, weekly *Neuroscience News*
- **Education:** Annual Educational Meeting, CNRN exam preparation, unique neuroscience educational products
- **Networking:** Special Focus Groups (SFGs), volunteer opportunities, local AANN chapters

Earn Your CNRN with help from AANN

Considering the Certified Neuroscience Registered Nurse (CNRN) credential? AANN membership provides savings on the leading preparation materials to earn the credential that signifies your dedication and expertise in neuroscience care.

Preparation materials include

- *AANN Core Curriculum for Neuroscience Nursing*, Fifth Edition
- CNRN Practice Examination
- Live CNRN Review Courses
